Questions

General Case Management

- Once cases are calendared for trial session...what happens months in advance?

Before the trial session (2- 3 weeks prior)

- Pre-trial memoranda - when this is filed, what happens?
- Paper and electronic calendar? Is a paper calendar needed?
- How do you prepare for a trial session calendar call ?
 - Viewing and tracking cases prior to session
 - What information are you looking for before the calendar call?
 - How are you prioritizing cases, working through the case list?
- Case notes
 - How do you currently use notes?
 - How do you prefer to see notes on a case? Format? Ability to categorize?
- Batch download of documents
 - Other information needed at the case level?
 - How should this be organized?

During trial session

- Calendar Call
 - Describe the general set up for calendar call (environment, equipment accessible, timeframe, etc.)
 - Resources used during calendar call (system access, notebooks, case files (documents?), etc.)
- Session notes
 - What information do you note about the session? How do you use these notes?
 - Bench opinions

After the trial session

- Tracking open cases
 - How are you tracking cases after the session is over?
- After a session is closed (completed), what information do you need access to? Do you need any history for closed sessions details?
